

**Orland AB, Norway**

**Special Enthusiasts Day; 'End of the Runway Day'; Open Day/Airshow  
& Norwegian Armed Forces Aircraft Collection, Oslo**

On the 22<sup>nd</sup> September it was announced that the 2012 NATO Tiger Meet (NTM) would move to Norway, to be hosted by 301 Squadron of the Royal Norwegian Air Force on Orland airbase. You may recall that the 2007 NTM was held here. We had a fabulous time at the Enthusiasts Day and at the weekend Open Day airshow.

We have now received confirmation that the special Enthusiasts Day will be on Friday, 1<sup>st</sup> June and the Open Day airshow on the Saturday. No details or any admission charge to either event has been released to date (23<sup>rd</sup> November 2011).

In addition to the Enthusiasts Day on-base, we have also included spending a full day outside the base to get those fabulous landing, taking off and taxi-ing photographs. There are 3 spotting points at both ends and midway along the single runway. All photographs in this itinerary were taken at the 2011 NTM.

As well as 2 full days at the Tiger Meet and the Open Day/airshow, there is also an opportunity for an optional visit to the excellent collection of aircraft in the Norwegian Armed Forces Aircraft Collection, including access to the ongoing restoration of a Junkers Ju-88 bomber, between flights at Oslo Airport.

We fly from London's Heathrow Airport on the scheduled services of SAS to Trondheim, via Oslo; and like in 2007, we stay at the excellent "Orland Kysthotell" in the small town of Brekstad.

Our hotel is only a 15-minutes walk from the airbase. In addition to our transfers to/from Trondheim Airport, we have chartered a coach for the 'end of the runway day' and the 'enthusiasts day'; however, for the Open Day we will walk to/from the base, at times of your own choosing. Having consulted the hotel manager, they expect many thousands of people from all over Norway to attend this event, with very heavy traffic, and therefore, we are of the opinion that it will be quicker to walk the 1 mile to the entrance.

### Luggage Regulations – SAS Airlines

**Checked (Hold) Luggage:** one piece of hold baggage is permitted with a maximum size (length + width + height) of 62ins (158cms).

**Hand (cabin) Luggage:** each person to one item of cabin baggage, no bigger than 45ins (115cms), and weighing no more than 17.6lbs (8kgs).

Limited quantities of liquids (individual containers must not exceed 100ml or 3.5 fl oz), are now allowed as hand baggage but must be carried separately through security in a clear plastic, zip-top or re-sealable bag that does not exceed 20cm x 20cm (8 inches x 8 inches), or quart size. Items must fit in the bag comfortably and the bag must be completely closed. Hand baggage can contain shampoo, suntan lotions, creams, toothpaste, hair gel and hair spray, perfumes, cosmetics such as mascara and lip gloss, water and other drinks, soups and syrups and other items of a similar consistency. Also prescription medicines in liquid form, e.g. diabetic kit.

Cigarette lighters are NOT permitted in hold baggage or through the security search. These may be purchased airside.

Hand baggage can also include electronic equipment including mobile phones, digital cameras and MP3 players (such as i-Pods). Laptops must be removed from the bag for x-ray.

At security all remaining items should be placed in the tray provided for screening, e.g. car keys and fobs, cash, solid food, books, newspapers, cigarettes and tobacco, belts and shoes. Pushchairs and walking aids are permitted but must be x-ray screened. All wheelchairs will be subject to search. Please note: you may be subject to a hand search by the security team and required to remove footwear to be x-ray screened.

Once in the departure lounge passengers may purchase certain items in any shop and take it onto the aircraft as normal. Passengers may be subject to a secondary search at the departure gate before boarding. Any items not on the approved list will be removed.

## **Baggage Weight Restrictions – UK Airports**

Since 1<sup>st</sup> June 2004, any single piece of checked baggage weighing more than 70lbs (32kgs) has not been accepted at check-in by any airline operating from London's Heathrow Airport. The BAA may introduce this limit at their other airports in the UK (and so might non-BAA airports), in an attempt to reduce manual handling injuries amongst airport staff. Please bear this in mind when packing.

## **Meals**

Meals are not normally included in the price of our tours unless they are included within the room rate as we realise that not everyone wants three meals a day. In-flight meals when included within the cost of the air ticket form part of the tour price, however some airlines (primarily European carriers) now only serve refreshments for which they charge accordingly.

Continental breakfast is included each morning in the hotel.

## **Health Requirements**

There are no known mandatory or recommended precautions for visiting Norway. However, we do recommend that you consult your local doctor or health centre for the latest information.

## **Climate and Dress**

The climate in Norway at this time of year should warm with temperatures around 70°F during the day but cooler in the evening. We therefore recommend you take warm, summer clothing, with a jacket.

## **Travel Insurance**

For citizens of the United Kingdom, Ian Allan Travel Ltd can provide competitive and comprehensive insurance cover for the duration of your tour. However, if you do not wish to take out our insurance, you must ensure that comparable or greater cover is taken. The number of your Insurance Policy should be written, if known, on your Booking Form at the time of making the reservation, but no later than the date when final payment is due. A copy of the policy must be forwarded to Ian Allan Travel Ltd.

Individual insurance policies are arranged through CoverMore Insurance Services Limited; the premiums for which will vary according to your circumstances. Full details are available on request.

## **Wheelchair Assistance at Airports.**

Anyone requiring wheelchair assistance at airports must have this service requested and confirmed in advance. Airlines and/or airports can no longer provide this service without prior confirmation, therefore, please annotate your booking form accordingly.

## **Flexible Itinerary**

We are very happy for enthusiasts to take time away from the printed itinerary to pursue their own interests, so long as they inform the Tour Manager. It will be the individual's responsibility to ensure that they re-join the group in the hotel at the stated time on the day of departure.

## **Land Only Price**

For enthusiasts who would prefer to join the tour at Trondheim Airport in Norway (instead of flying from the UK with the main group), we are happy to provide a 'Land Only' price (on request). This price *does not* include any flights whatsoever and you are strongly advised to contact us before making your own flight arrangements in the event that there has been a change to the published itinerary.

Please note that the 'Land Only' price is based on you meeting the tour as stated above and includes both arrival and departure airport transfers. Should you not travel with group, for whatever reason (e.g. delayed flight), we are unable to refund the cost of the transfers.

## **Flight Timings & Connecting Travel Arrangements to Departure Airport**

All flight departure and arrival times are correct at the time of preparing each itinerary; however, airlines may change these times with little or no prior warning. In practice such changes are only a few minutes either way and the final itinerary will show the actual times. Clients making their own arrangements to get to the departure airport by air, rail, coach etc., should bear the above in mind if purchasing non-refundable or non-changeable tickets. Ian Allan Travel cannot be held responsible for any changes to flight times and any privately arranged travel tickets to the airport becoming invalid.

## **Pre-departure**

For connecting flights from UK regional airports - please call Ian Allan Travel on 01932 255625 for the latest special offers available.

Airport Hotel and/or Car Parking - we can offer special rates for the above at most UK airports, please ask for details.

**Meet & Greet Car Parking:** from your home or overnight hotel, simply drive directly to Terminal 3 to the special 'valet parking' area located in front of the terminal. Here you will be met by a chauffeur and your car will then be taken to an off-airport, secure, car park while you walk a few yards into the check-in area! On your return the chauffeur and your car will be waiting for you at the same place you dropped it off. Simple and very convenient. Recommended by our Tour Managers – please call for details.

## **Tours Affected by World Events or Unforeseen/Unplanned Circumstances**

In an ever-changing world, events may occur immediately before or during a tour that result in cancellations or changes to the tour itinerary.
